President's Prelude

Dear Colleagues,

For every negative issue, we can give a positive spin.

This quote truly explains how we music teachers coped with this unexpected Coronavirus pandemic in 2020. CM and VOCE were postponed again and again, and eventually became online video submissions. Additionally, all concerts were canceled, State Convention was switched to virtual webinar, and the most frustrating part, no more in person music lessons.

To help our members transition to online music lesson, the board hosted three online meetings sharing teaching software and hardware, as well as CM submission guidelines and online student recital. Thank you to all participants for contributing their experiences and brainstorming fantastic ideas. All past meetings' videos are listed in our branch website.

On October 19, 2020 the board will host an online lecture with Dr. Betty Woo, titled "Beethoven, beyond Heroics and Titanic struggles." I encourage you to attend.

In my last prelude as your president, I would like to say a big "Thank You" to both our outgoing and incoming board of directors. It has been a privilege working with everyone over the past 4 years! I know our new board, led by Michelle Rank will do an excellent job leading Alameda East Branch to the next decade.

My wish is for everyone to be safe and healthy.

Ewen Tsai Branch President

2020-2021 Program Updates

Due to the continued restrictions on larger gatherings, and for the overall safety of our students and members, 2020-2021 Certificate of Merit program will be held virtually. Thank you for your understanding and support through these challenging times.

The 2021 Theory Exam and Performance Evaluation dates have not been yet confirmed. The CM enrollment period will still be from **October 1-October 31**.

Please stay tuned for more updates.

Blankenship Project

From Mary Beth Chaney:

We are all aware that because of COVID-19, some people have lost jobs and have had to close their businesses for months. If you have a student who has had to quit lessons or will have to quit soon because of financial difficulties, be aware that our Blankenship Project (piano lesson scholarships for low-income students) will be taking applications to help a few of the most needy students. We are trying to help the truly low-income students, those who would qualify for free lunch at school. This would be a temporary measure until their parents are back to work.

Please contact Mary Beth Cheney at nolanmarycheney@gmail.com for an application.

Upcoming Lecture: 19 October 2020

Beethoven — Beyond Heroics and Titanic Struggles

by Dr. Betty Woo

Monday 10/19 @ 10:00 am - 12:00 pm

Zoom Meeting (Zoom invitation will be emailed prior to the lecture)

High level and older students are also welcome

Lecture Description:

Beethoven is regarded universally as one of the giants in the history of mankind because his iconic works (Symphonies No. 3, 5 and 9) reflect the struggles and ultimate triumph in life, which all of us can relate to. His music, however, is more than that. In this talk, I would like to show an appreciation to his many other sides. These include: his innovative ideas regarding rhythm, harmony and tone color; and the variety of moods and styles depicted in his music. The music we will examine in this lecture will be chosen from well-known piano pieces composed in different periods of his life.

Bio of Dr. Betty Woo

Betty Woo received her D.M.A. degree in performance practice from Stanford University and the Artist Diploma from the Royal Academy of Music in London. At the start of her performing career, she received a special prize for the best performance of a twentieth-century piece in the Gina Bachauer International Competition and a special award in the Carnegie Hall International American Music Competition. She has made major solo appearances in London and New York, conducted masterclasses, gave lectures at conservatories in Hong Kong (her hometown) and Shanghai, and appeared in such festivals as The Fringe Festival in Edinburgh, Olympics in Washington, Yachats in Oregon and Music in the Mountain in California. In December 2019, she collaborated with other Hong Kong-born pianists to celebration the 30th anniversary of the Cultural Center in Hong Kong. She has also collaborated with many

diverse groups and performers in the Bay Area, such as the contemporary music groups Earplay and the San Francisco Contemporary Chamber Players, the dance companies Oakland Ballet, Morphoses/The Wheeldon Company Group and the Paul Taylor Dance Company, and cellist Jennifer Culp. She is also a member of the Trio Brillante. A very successful teacher, she was on the faculty of Holy Names University and San Francisco Conservatory for many years. At present, Ms. Woo teaches piano at University of California, Berkeley, and frequently gives talks to various music teacher groups in the Bay Area. She is also a board member of the MTAC Alameda County Branch, and music consultant for US Open Music Competition, and has judged in numerous local competitions.
